

Smart Hose

Need better Tracking of your Hose or Hose Assembly products?

Our **Smart Hose label** is made from a durable film product that provides flexibility and ease of application.

With its innovative printable surface and unique "Dura Wrap" feature, our barcode labels offer unmatched protection for your valuable data, barcodes, and graphics. These labels are specially designed to work seamlessly with thermal transfer printers, ensuring exceptional performance and reliability.

With more than two decades of expertise in manufacturing this product, The Kennedy Group has successfully labeled millions of feet of hose for our valued customers. Our Smart Hose label stands out as the industry's top choice for its exceptional performance and reliability.

Rest assured that our Smart Hose label is built to withstand years of exposure, providing you with peace of mind.

Labeling & Packaging Division
